## Attention: Facility Maintenance/HVAC

### **Pneumatic Control Basics**

**NECC** is sponsoring a one-day **HANDS-ON** workshop covering all of the basic procedures for set up, calibration and trouble-shooting pneumatic control systems.

**The instructor**, Mark McGann, is the V.P./General Manager of NECC, and has been presenting pneumatic training for many years. He is also Past National President of the National Association of Power Engineers. Mark's base of knowledge and his easy style of presentation coupled with the **hands-on class** activities will make the class informative and enjoyable.

**Attendees will learn:**

- Air Station Maintenance
- Valve and Damper Actuators
- Thermostats and Transmitters
- Set Up and Calibrate Receiver/Controllers

**Cost: \$439.00 per student** (must be paid in advance)  
(Workbooks, lunch & breaks provided)

**Place: Clarion Hotel Philadelphia Int'l Airport**  
**76 Industrial Highway**  
**Essington, PA 19029**

**Dates:** March 24, 2020

**Time:** 8:00 am until 4:30pm

Fax your reservation to **NECC** at (610) 789-7300.

**Space is limited, so respond quickly!**
