

## Compressor Switches

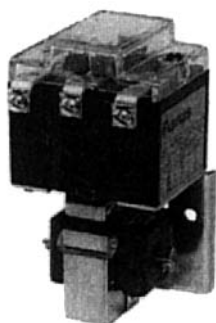

The rugged 69H pressure switch is designed for the demanding requirements of larger, heavy duty commercial air compressors.

ORDERING INFORMATION		
ORDER #	UNLOADER	DESCRIPTION
69HA2	No	Heavy duty compressor switch
69HAU2	Yes	

Range: 10-125 psi  
Switch: DPST—2hp

Connection: 1/4" FPT  
Differential: 20-35#

## Alternator Relays

The alternator relay provides a means of automatically alternating the operation of two separately mounted motor driven pumps or compressors. Each time a pressure increase is required by the system, the alternating action assures even readiness and wear on both pumps.

ORDERING INFORMATION		
Open Type	With NEMA1 Enclosure	VOLTS
47AB10AJ	47AB10BJ	24
47AB10AF	47AB10BF	120
47AB10AG	47AB10BG	240
47AB10AH	47AB10BH	480

## Compressor Oil

This petroleum based oil is one of the world's finest compressor lubricants, recommended for reciprocating compressors. It offers excellent protection against wear, rust, and corrosion. It is also very stable at high temperatures.

ORDERING INFORMATION	
ORDER #	DESCRIPTION
OIL1G	Compressor Oil - 1 Gallon

Advantages:

- Extended valve life
- Better heat transfer
- Low evaporation losses
- 30 Weight
- Non-Detergent

### Welcome to the **World's Largest HVAC Control and Building Automation Parts Database**

- Over **130,000** controls and accessories
- Search by model number, noun or any brand
- Competitive **cross-reference**
- Substitute old parts to new
- Factory specifications archives
- **Factory-trained** support staff
- Technical training opportunities
- Fast **worldwide** delivery
