

NEW! Dwyer Digital Pressure Gauge

The 67000 Series Digital Pressure Gauges are an ideal alternative to mechanical gauges. Use them for accurate readout of pressure or vacuum applications. Gauge feature low battery indication and manual zero adjustment for easy recalibration.

Feature:

- 1/8" MPT bottom mount connection
- Easy-to-read 1/2" LCD display
- No wiring needed
- 9V alkaline battery included
- Manual zero adjustment for easy recalibration

ORDER #	RANGE
67100	30" vac. to 99.9 psi
67500	0 to 500 psi

**"U" Clamp Gauges
For Panel Mount Applications**

These gauges have a front bezel and a rear clamp to mount in panel doors. They are inserted into the hole in the front and clamped in the rear for a clean panel look. Models shown have 1/4" MPT back connection. Other ranges up to 5000 psi are also available in back and bottom mount. Smaller sizes are also available in 1/8" back mount.
