Plastic Tubing Shear

This plastic tube cutter is the most compact shear available. It easily cuts polyvinyl, polyurethane, and most plastic tubing. From 5/32" to 1/2" OD. Designed to automatically close for safety.

ORDERING INFORMATION	
ORDER #	DESCRIPTION
TC100	Miniature Tube Cutter for 5/32" to 1/2" Plastic Tubing

TC200

TC300

Copper Tubing Cutters

This copper tubing cutter is of a compact design. Perfect for many applications for both hard and soft copper. Aluminum alloy body.

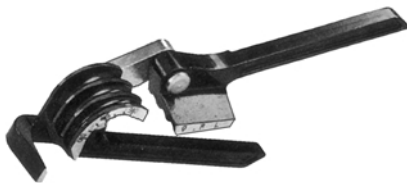

ORDERING INFORMATION	
ORDER #	DESCRIPTION
TC200	Tubing Cutter for 1/4" to 1"
TC300	Mini-cutter for close quarters. Fits 1/8" to 1/2" tubing

Tubing Clamp

"Third Hand" tubing clamp makes downstream corrections on flexible tubing without shutting down main air pressure. Used on 5/32", 1/4", 3/8", 1/2" flexible plastic tubing.

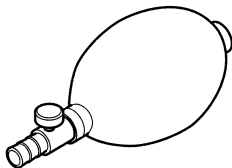

ORDERING INFORMATION	
ORDER #	DESCRIPTION
TCL438	5" locking clamp
TCL438C	5" curved locking clamp

Multi-tube Bender

This multi-tube bender is for 1/4", 3/16", and 3/8" OD tubing. It has markings calibrated to perform accurate right and left hand as well as offset bends. Open side slips onto tubing at any point.

ORDERING INFORMATION	
ORDER #	DESCRIPTION
TB200	Tube bender for 1/4", 5/16", and 3/8" tube

Pneumatic Aspirator Bulb Kit

Quick pump-up air supply for testing or calibration. Includes 1/4" barbed gauge tee and 12" of rubber tubing.

ORDERING INFORMATION	
ORDER #	DESCRIPTION
BLB101	Pneumatic Aspirator Bulb

Mini Flashlight and Holster

Small lightweight flashlight hangs from belt with holster. Features an adjustable beam.

ORDERING INFORMATION	
ORDER #	DESCRIPTION
MM001	Mini Flashlight
HL001	Holster

Precision Calibration Regulator

This compact precision regulator is used to maintain precise pressures when calibrating sensitive devices such as receiver controllers.

- 20-turn adjustment
- In-line or panel mount

ORDERING INFORMATION	
ORDER #	DESCRIPTION
PCR114B	Pneumatic Calibration Regulator

Diagonal Cutter

Precision jaws fit tight areas for panel use. Spring return open. Extra sharp blades for instrument wire and plastic tubing (not to be used on hard wire).

ORDERING INFORMATION	
ORDER #	DESCRIPTION
TC400	Diagonal Cutter
