**For additional information or assistance, please visit our Website or call your NECC customer support person.**

## Dummy Thermostat

For those dummies in the office or apartment who insist on diddling with a thermostat, give them one to play with! For quick installation, stick it on with double-faced carpet tape.

ORDERING INFORMATION	
ORDER #	DESCRIPTION
DMY999	Dummy stat

**NOTE:** For extra fun, put a clear locking guard over the thermostat and watch as they fish paper clips and pencils down between the slots to adjust it!

### **ARE YOU REQUIRED BY OSHA OR LOCAL CODES TO REMOVE MERCURY DEVICES FROM YOUR BUILDING?**

We have a complete assortment of **non-mercury** devices available to directly replace your mercury switch controls and thermometers with little or no wiring or mounting modifications.

**Just tell us what you have and we'll suggest a replacement**
